1 DAY – 1 WEEK

Faculty of Mechanical and Aerospace Engineering

Jl. Ganesa 10
Bandung – Jawa Barat,
Indonesia

humas@itb.ac.id
<https://www.itb.ac.id>

EXPANDING KNOWLEDGE & EXPERIENCE ON INDUSTRIAL TECHNOLOGY IN INDONESIA

Industry visits will add new knowledge and experience, by seeing the technological side of industry in Indonesia today. From the industrial visit, the knowledge obtained is the current condition of the industry in Indonesia, the business processes in Indonesia, how to run the industry whether it is different from their country of origin or not.

Industries that will be visited include the aviation industry, material manufacturing, power plants or consumer goods, oil and gas and others. There they will see what kind of business the industry is in, see the production activities, what is being done, the manufacturing process, so it will be such a tour of the industry.

HANDS-ON LEARNING ABOUT MECHANICAL, AEROSPACE & MATERIAL ENGINEERING IN INDONESIA

Industry visits will add new knowledge and experience, by seeing the technological side of industry in Indonesia today. From the industrial visit, the knowledge obtained is the current condition of the industry in Indonesia, the business processes in Indonesia, how to run the industry whether it is different from their country of origin or not.

Industries that will be visited include the aviation industry, material manufacturing, power plants or consumer goods, oil and gas and others. There they will see what kind of business the industry is in, see the production activities, what is being done, the manufacturing process, so it will be such a tour of the industry.
